Custom Service Payment Options for our Utility Customers

BMU customers have several options available for paying their monthly utility bill.

Payment by Mail

Included with your monthly utility bill is a yellow envelope that you can use to mail your payment. Please tear off the lower bill stub of your bill to include with your payment. It is also helpful to include your account number on your check or money order. In the event that you have lost your yellow return envelope or do not have your bill with the remittance address, please send payments to the following address:

Berea Municipal Utilities
PO BOX 926
Berea, KY 40403-0926

Now Offering Pay Online

You can pay your bill online with a debit card or credit card, 24 hours a day, seven days a week. For your convenience, a link is located on the main page of The Berea Municipal Utilities website at www.bereautilities.com. Click the Pay Online link to find all the information you need to make your payment.

Drop Box

We have a drop box located in front of the Utility Office available for customers to drop payments after business hours. Payments received after 7:30 am, on weekends or holidays, are posted the next business day. Payments should be check or money order only.

- Please include the payment remittance portion of your bill
- Please make sure the name, address and account number are noted on the check or money order.

Automatic Bank Draft

Never be late on your utility bill again! Take advantage of ACH which deducts the amount of your utility bill each month from your bank account. It will save you time and money by avoiding penalty charges. To sign up for ACH, you must complete an authorization form and provide BMU with a voided check or savings deposit ticket.

Face-To-Face

If you still prefer to pay your bill face-to-face with someone, you will still have the option to make payments in our office at 200 Harrison Road.
